

Bartram & Brakenhoff is expanding their charter services with the addition of the **Bartram & Brakenhoff Florida Charter Division** which will manage a yacht charter fleet and handle charter inquiries.

The new Bartram & Brakenhoff Florida Charter Division will be managed by our **newest B&B member, Kaisa Joy-Pace**. Formerly of Fraser Yachts Charter Marketing Division, Kaisa has spent over twelve years working her way up through the industry serving in every position from Chief Stewardess to Charter Fleet Manager. After a brief hiatus to start a family, her passion for yachts and love of travel led her to the Florida office of Bartram & Brakenhoff where she will be handling Charter Management and Charter Brokerage. Kaisa looks forward to the exciting challenge of expanding the B&B Charter Fleet that will cover the globe serving the discerning owner representing quality yachts from the Med to the Caribbean. **Kaisa Joy-Pace will be an asset to the Bartram & Brakenhoff Yacht & Charter brokerage Firm.**

The new B&B Florida Charter Division is already picking up speed by joining forces with one of the world's premier luxury Jet Charter operations, **Velocity Jets** (www.velocityjets.com). With Bartram and Brakenhoff and Velocity Jets coordinating their dedicated client services, seamless travel is a mere phone call away. www.bartbrak.com
